

Eagles - "Love Will Keep Us Alive"

[Verse 1]

I was standing, all alone against the world outside
You were searching for a place to hide
Lost and lonely, now you've given me the will to survive
When we're hungry, love will keep us alive

[Verse 2]

Don't you worry Sometimes you've just got to let it ride
The world is changing Right before your eyes
Now I've found you There's no more emptiness inside
When we're hungry, love will keep us alive

[Bridge]

I would die for you
Climb the highest mountain
Baby, there's nothing I wouldn't do

[Verse 2 - half]

Now I've found you There's no more emptiness inside
When we're hungry, love will keep us alive

[Instrumental Solo]

[Bridge]

I would die for you
Climb the highest mountain
Baby, there's nothing I wouldn't do

Paul Simon - You Can Call Me Al

[Verse 1]

A man walks down the street
He says, "Why am I soft in the middle, now?
Why am I soft in the middle?
The rest of my life is so hard
I need a photo-opportunity
I want a shot at redemption
Don't want to end up a cartoon
In a cartoon graveyard"
Bonedigger, Bonedigger
Dogs in the moonlight
Far away in my well-lit door
Mr. Beerbelly, Beerbelly
Get these mutts away from me
You know, I don't find this stuff amusing
anymore

[Chorus]

If you'll be my bodyguard
I can be your long lost pal
I can call you Betty, And Betty
when you call me, you can call me Al

[Verse 2]

A man walks down the street
He says, "Why am I short of attention?
Got a short little span of attention
And, whoa, my nights are so long
Where's my wife and family?
What if I die here?
Who'll be my role model
Now that my role model is gone, gone?"
He ducked back down the alley
With some roly-poly little bat-faced girl
All along, along
There were incidents and accidents
There were hints and allegations

[Chorus]

If you'll be my bodyguard
I can be your long lost pal
I can call you Betty, And Betty,
when you call me, you can call me Al

[Interlude]

[Verse 3]

A man walks down the street
It's a street in a strange world
Maybe it's the third world
Maybe it's his first time around
Doesn't speak the language
He holds no currency
He is a foreign man
He is surrounded by the sound, the sound
Cattle in the marketplace
Scatterlings and orphanages
He looks around, around
He sees angels in the architecture
Spinning in infinity
He says, "Amen and Hallelujah!"

[Chorus]

If you'll be my bodyguard
I can be your long lost pal
I can call you Betty
And Betty, when you call me, you can call
me Al
Call me

[Bridge]

Na na na na, na na na na
Na na na na, na na na-na na-na
Na na na na, na-na na-na na na
Na na na na, na na na na

[Outro]

If you'll be my bodyguard
I can call you Betty
If you'll be my bodyguard
I can call you Betty
If you'll be my bodyguard

The Mavericks - "Dance The Night Away"

[verse 1]

Here comes my happiness again
Right back to where it should have been
'Cause now she's gone and I am free
And she can't do a thing to me

[chorus]

I just wanna dance the night away
With señoritas who can sway
Right now tomorrow's lookin' bright
Just like the sunny mornin' light

[bridge]

And if you should see her
Please let her know that I'm well,
As you can tell
And if she should tell you
That she wants me back
Tell her no, I gotta go

[chorus]

I just wanna dance the night away
With señoritas who can sway
Right now tomorrow's lookin' bright
Just like the sunny mornin' light

[instrumental bridge and solos]

[bridge]

And if you should see her
Please let her know that I'm well,
As you can tell
And if she should tell you
That she wants me back
Tell her no, I gotta go

[chorus]

I just wanna dance the night away
With señoritas who can sway
Right now tomorrow's lookin' bright
Just like the sunny mornin' light

[chorus]

I just wanna dance the night away
With señoritas who can sway
Right now tomorrow's lookin' bright
Just like the sunny mornin' light

The B-52's - Love Shack

[Verse #1]

If you see a faded sign at the side of
the road that says "15 miles to the ..

Love Shack" Love Shack, yeah, yeah

I'm headin' down the Atlanta highway

Lookin' for the love getaway, Headed for the love
getaway

I got me a car that's as big as a
whale

And we're headin' on down to the Love
Shack

I got me a Chrysler that seats about
20

So hurry up and bring your jukebox
money

[Chorus]

The love shack is a little old place where we can
get together

Love Shack, baby (a-Love Shack, baby)

Love Shack, baby, Love Shack (x2)

(Love, baby, that's where it's at)

[Verse #2]

Sign says (woo!), "Stay away, fools
'Cause love rules at the Love Shack"

Well, it's set way back in the middle of a field

Just a funky old shack and I gotta get back

Glitter on the mattress

Glitter on the highway

Glitter on the front porch

Glitter on the highway

[Chorus]

The love shack is a little old place where we can
get together

Love Shack, baby (a-Love Shack, baby)

Love Shack, that's where it's at (x2)

[Verse #3]

Huggin' and a-kissin', Dancin' and a-
lovin'

Wearin' next to nothin', 'Cause it's
hot as an oven

The whole shack shimmies, When
everybody's movin' around

And around and around and around

Everybody's movin', everybody's groovin', baby

Folks linin' up outside just to get
down

Everybody's movin', everybody's groovin', baby

Funky little shack, Funky little shack

[instrumental interlude]

Hop in my Chrysler, it's as big as a
whale and it's about to set sail

I got me a car, it seats about 20

So come on and bring your jukebox

get together

Love Shack, baby (a-Love Shack, baby)

Love Shack, baby, Love Shack (x2)

Knock a little louder, sugar

Bang, bang, bang on the door, baby

Bang, bang On the door!

Bang, bang On the door!

Bang, bang On the door!

Bang, bang On the door!

[full band stop]

Tine Roof, Rusted!

[Outro]

Patty Griffin - "One Big Love"

[verse 1]

Let's take a ride to the seaside
We can go out swimming in the high tide
Just wear your shorts and your long hair
Don't forget the lawn chair

Everybody's gone to the movies
Everybody's gone and it's groovy
They went to the one about the big war
I didn't, I'd seen it before

[chorus]

I guess I'm taking my chances
Giving up the ring, throwing in the gloves
I guess I'm taking my chances
Trading in my things, for a couple wings, on
a little white dove
And one big love, one big love

[verse 2]

Everybody do like a monkey
If you want to go on and be funky
No need to talk like a hero
Talk a walk and count down to zero

No sense defending your honour
Just go on and kiss him if you want to
Everything before is gone
Or is going somewhere

[chorus]

I guess I'm taking my chances
Giving up the ring, throwing in the gloves
I guess I'm taking my chances
Trading in my things, for a couple wings, on
a little white dove
And one big love, one big love

[Bridge]

I don't know where we are and I don't care
And now we're out of gas and riding on air
And one big love, one big love

[outro]

Everybody run till you're flying
Touch a star without even trying
Everybody's swinging from the big star
Everybody's riding in the cool car

Let's take a ride to the seaside
We can go out swimming in the high tide
Everybody do like a monkey
Everybody go on and be funky
Everybody go on and be funky
Let's take a ride to the seaside

Let's take a ride to the seaside
Let's take a ride to the seaside
Let's take a ride to the seaside

Come the night you could be my confidant

Now you're keeping some demons down
Stop draggin' my, stop draggin' my

Moana - "You're Welcome"

OK, OK

I see what's happening, yeah
You're face-to-face with greatness and it's strange
You don't even know how you feel
It's adorable!
Well, it's nice to see that humans never change

Open your eyes, let's begin
Yes, it's really me
It's Maui! Breathe it in
I know it's a lot:
The hair, the bod!
When you're staring at a demigod

What can I say except "You're welcome"
For the tides, the sun, the sky?
Hey, it's OK, it's OK. You're welcome
I'm just an ordinary demi-guy!

Hey, what has two thumbs and pulled up the sky
When you were waddling yea high?
This guy!
When the nights got cold, who stole you fire from
down below?
You're looking at him, yo!

Oh, also I lassoed the sun
—You're welcome—
To stretch your days and bring you fun
Also, I harnessed the breeze
—You're welcome—
To fill your sails and shake your trees

So what can I say except "You're welcome"
For the islands I pulled from the sea?
There's no need to pray, it's OK
You're welcome
I guess it's just my way of being me

You're welcome, you're welcome
Well, come to think of it

Kid, honestly I could go on and on
I could explain every natural phenomenon
The tide, the grass, the ground

Oh, that was Maui just messing around
I killed an eel, I buried its guts
Sprouted a tree, now you've got coconuts
What's the lesson? What is the take-away?
Don't mess with Maui when he's on the break-away
And the tapestry here in my skin
Is a map of the victories I win
Look where I've been. I make everything happen
Look at that mean mini Maui just tickety-tappin'!
Ha, ha, ha, ha, ha, ha, hey!

Well, anyway, let me say you're welcome!
For the wonderful world you know
Hey, it's OK, it's OK. You're welcome!
Well, come to think of it, I gotta go

Hey, it's your day to say you're welcome!
'Cause I'm gonna need that boat
I'm sailing away, away. You're welcome!
'Cause Maui can do everything but float
You're welcome, you're welcome

And thank you!

Justin Timberlake - Can't stop the feeling

[Verse 1]

I got this feelin' inside my bones
It goes electric, wavey when I turn it on
All through my city, all through my home
We're flyin' up, no ceilin', when we in our zone

I got that sunshine in my pocket, got that good soul in my feet
I feel that hot blood in my body when it drops (Ooh)
I can't take my eyes up off it, movin' so phenomenally
Room on lock, the way we rock it, so don't stop

[Pre-Chorus]

And under the lights when everything goes
Nowhere to hide when I'm gettin' you close
When we move, well, you already know
So just imagine (Just imagine, just imagine)

[Chorus]

Nothin' I can see but you, When you dance, dance, dance
A feelin' good, good, creepin' up on you, So just dance, dance, dance, come on
All those things I shouldn't do, But you dance, dance, dance
And ain't nobody leavin' soon, so keep dancin'

[Post-Chorus]

I can't stop the feelin', So just dance, dance, dance
I can't stop the feelin', So just dance, dance, dance, come on

[Verse 2]

Ooh, it's somethin' magical
It's in the air, it's in my blood, it's rushin' on (Rushin' on)
I don't need no reason, don't need control (Need control)
I fly so high, no ceilin', when I'm in my zone

'Cause I got that sunshine in my pocket, got that good soul in my feet
I feel that hot blood in my body when it drops (Ooh)
I can't take my eyes up off it, movin' so phenomenally
Room on lock, the way we rock it, so don't stop

And it feels like yours was the only heart to break
When you come back home and all the lights are out
And you're getting used to no one else being around

Oh, oh, I'll be there
When you need a little love, I got a little love to share
Yeah, I'm gonna, I'm gonna, I'm gonna come through
You'll never be alone, I'll be there for you
I'll be there, I'll be there for you (x2)
Oh, I swear, I got enough love for two
You'll never be alone, I'll be there for you

[Verse 2]

When it's Friday night and the drink don't work the same
And you're alone with yourself and there's no one else to blame
When you still can't feel the rhythm of your heart
And you see your spirit fading in the dark

Oh, oh, I'll be there
When you need a little love, I got a little love to share
Yeah, I'm gonna, I'm gonna, I'm gonna come through
You'll never be alone, I'll be there for you
I'll be there, I'll be there for you (x2)
Oh, I swear, I got enough love for two
You'll never be alone, I'll be there for you

[Bridge]

When you're lost down the river, babe, I'll be there
When you're lost in the darkness, I'll be there
I'll be there when your heart is breaking
You'll never be alone, I'll be there for you
I'll be there

[Chorus]

Oh, oh, I'll be there
When you need a little love, I got a little love to share
Yeah, I'm gonna, I'm gonna, I'm gonna come through
You'll never be alone, I'll be there for you
I'll be there, I'll be there for you (x2)
Oh, I swear, I got enough love for two

Watch out, you might get what you're after
Cool, babies - strange but not a stranger
I'm an ordinary guy
Burning down the house

Hold tight, wait till the party's over
Hold tight, we're in for nasty weather
There has got to be a way
Burning down the house

The transportation is here
Close enough but not too far, maybe you know where you are
Fighting fire with fire, ah!

[Verse 3]

All wet, here, you might need a raincoat
Shake-down, dreams walking in broad daylight
Three hundred sixty-five degrees
Burning down the house

[Chorus 2]

It was once upon a place, sometimes I listen to myself
Gonna come in first place
People on their way to work say, "Baby, what did you expect?"
Gonna burst into flame, ah

[Solos] OPEN REPEAT

My house is out of the ordinary
That's right, don't wanna hurt nobody
Some things sure can sweep me off my feet

No visible means of support and you have not seen nothing, yet
Everything's stuck together
I don't know what you expect staring into the TV set
Fighting fire with fire, ah

MAGIC! - Kiss Me

[Chorus]

Kiss me, darling, one more time
with everything that you got inside.
Kiss me, darling, one more time,
'cause love's the only thing we leave behind.

[Verse 1]

I've been thinking about my life a lot these days,
as I'm stumbling through the paths that I have made.
Wondering where did I put my time and energy,
'cause what I wanted then means nothing now to me.

[PRECHORUS]

'Cause I want to share with you
(give you all my life).
I want to bear with you
(make a few of them if you want).
I want to care for you
(even when it's hard).
I want to be there for you
(I can feel it deep in my heart).
I want to stare at you
(like a morning star).
Like nobody's there but you.
So hurry up, hurry up!

[Chorus]

Kiss me, darling, one more time
with everything that you got inside.
Kiss me, darling, one more time,
'cause love's the only thing we leave behind.

[Verse 1]

I've been thinking about my life a lot these nights,
as I'm wishin' on the stars up in the sky.
Wondering where does our love fit in this design.
Did I constellate your light right next to mine?

And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake
I shake it off, I shake it off

Heartbreakers gonna break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake
I shake it off, I shake it off

[Post-Chorus]

I shake it off, I shake it off,
I, I, I shake it off, I shake it off (x4 or whatever)

[Bridge] **OPEN REPEAT**

Hey, hey, hey, Just think, while you've been gettin'
down and out about the liars, And the dirty, dirty
cheats of the world. You could've been gettin'
down to this sick beat

...

My ex-man brought his new girlfriend
She's like, "Oh my God," but I'm just gonna shake
And to the fella over there with the hella good
hair, Won't you come on over, baby?
We can shake, shake, shake
Yeah, oh-oh, oh

[Chorus]

'Cause the players gonna play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake
I shake it off, I shake it off

Heartbreakers gonna break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake
I shake it off, I shake it off

[Post-Chorus]

I shake it off, I shake it off,
I, I, I shake it off, I shake it off (x4 or whatever)

Dwight Yoakam – Streets of Bakersfield

[verse 1]

I came here looking for something
I couldn't find anywhere else
Hey, I'm not trying to be nobody
I just want a chance to be myself

I've spent a thousand miles a-thumbin'
Yes, I've worn blisters on my heels
Trying to find me something better
Here on the streets of Bakersfield

[Chorus]

Hey, you don't know me, but you don't like me
You say you care less how I feel
But how many of you that sit and judge me
Ever walked the streets of Bakersfield?

[Solo]

[verse 2]

Spent sometime in San Francisco
I spent a night there in the can
They threw this drunk man in my jail cell
I took fifteen dollars from that man

Left him my watch and my old house key
Don't want folks thinkin' that I'd steal
Then I thanked him as I was leaving
And I headed out for Bakersfield

[Chorus]

Hey, you don't know me, but you don't like me
You say you care less how I feel
But how many of you that sit and judge me
Ever walked the streets of Bakersfield?

[Solo]

[Final Chorus]

Hey, you don't know me, but you don't like me
You say you care less how I feel
But how many of you that sit and judge me
Ever walked the streets of Bakersfield?

How many of you that sit and judge me
Ever walked the streets of Bakersfield?

Bruce Springsteen - Born to Run

[Verse 1]

In the day, we sweat it out on the streets of a runaway American dream
At night, we ride through mansions of glory in suicide machines

[Chorus 1]

Sprung from cages out on Highway 9, Chrome wheeled, fuel injected and steppin' out over the line
Oh, baby this town rips the bones from your back, It's a death trap, it's a suicide rap

We gotta get out while we're young
'Cause tramps like us, baby we were born to run

[Verse 2]

Wendy let me in, I wanna be your friend, I want to guard your dreams and visions
Just wrap your legs 'round these velvet rims, And strap your hands across my engines

[Chorus 2]

Together we could break this trap, We'll run till we drop, baby we'll never go back
Oh, will you walk with me out on the wire?, 'Cause baby I'm just a scared and lonely rider

But I gotta know how it feels
I want to know if love is wild, babe, I want to know if love is real

[Saxophone Solo]

[Bridge]

Beyond the palace, hemi-powered drones, Scream down the boulevard
The girls comb their hair in rearview mirrors, And the boys try to look so hard

The amusement park rises bold and stark, Kids are huddled on the beach in a mist
I wanna die with you, Wendy, on the streets tonight
In an everlasting kiss

[Verse 3]

The highways jammed with broken heroes, On a last chance power drive
Everybody's out on the run tonight, But there's no place left to hide

[Chorus 3]

Together, Wendy, we can live with the sadness, I'll love you with all the madness in my soul
Oh, someday girl, I don't know when, We're gonna get to that place
Where we really want to go, and we'll walk in the sun
But till then, tramps like us, Baby, we were born to run
Oh honey, tramps like us, Baby, we were born to run
Come on Wendy, tramps like us, Baby, we were born to run
Whoa-oh-whoa

Kelly Clarkson – Meaning of Life

[Verse 1]

Baby, I've been livin' in the dark
The only friend I got here's my broken heart
Feelin' like I've finally had enough
Livin' like an animal can be so rough

[Pre-Chorus]

I've been waitin' so long
for you to come my way
And now I, I can't wait another day

[Chorus]

When you hold me, I finally see
When you say love, I know what it means
I was broke down so alone in the dark
Until you showed me the light (baby)

'Cause when you kiss me, I know who I am
And when you let me feel it I understand
When I'm lost I just look in your eyes
You show me the meaning of life

Meaning of life, life, life, life
You show me the meaning of life
Meaning of life, life, life, life
You show me the meaning of life

[Verse 2]

Every time I spend a lonely night, yeah
Thinkin' I won't make it til the morning light
All I do is think of you and I
Suddenly the wrongs they start to feel so right

[Pre-Chorus]

I've been waiting so long
for you to come my way
And now I, I can't wait another day

[Chorus]

When you hold me, I finally see
When you say love, I know what it means
I was broke down so alone in the dark
Until you showed me the light (baby)

'Cause when you kiss me, I know who I am
And when you let me feel it I understand
When I'm lost I just look in your eyes
You show me the meaning of life

Meaning of life, life, life, life
You show me the meaning of life
Meaning of life, life, life, life
You show me the meaning of life

[Bridge]

You show me love
You lift me up
You take me higher and higher

The truth is I'm in love
Can you feel us, we're flyin' higher
Oh, you show me love

You lift me up
You take me higher and higher
The truth is I'm in love
Can you feel us, we're flyin' higher

[Partial Chorus]

Meaning of life, life, life, life
You show me the meaning of life
Meaning of life, life, life, life
Show me the meaning of life
Show me the meaning of life, ooh
Show me the meaning of life

Nico & Vinz - Am I Wrong

[Verse 1]

Am I wrong for thinkin' out the box from where I stay?
Am I wrong for sayin' that I choose another way?

I ain't tryin' to do what everybody else doin'
Just 'cause everybody doin' what they all do
If one thing I know, I'll fall, but I'll grow
I'm walking down this road of mine, this road that I call home

[Chorus]

So, am I wrong? For thinkin' that we could be something for real?
Now, am I wrong? For tryin' to reach the things that I can't see?

But that's just how I feel (x3)
Trying to reach the things that I can't see

[Verse 2]

Am I trippin' for having a vision?
My prediction, I'ma be on top of the world

Walk your walk and don't look back, Always do what you decide
Don't let them control your life, That's just how I feel, oh-ooh-woah

Fight for yours, and don't let go, Don't let them compare you, no
Don't worry, you're not alone, That's just how we feel

[Chorus]

So, am I wrong? For thinkin' that we could be something for real?
Now, am I wrong? For tryin' to reach the things that I can't see?

But that's just how I feel (x3)
Trying to reach the things that I can't see

[Bridge]

If you tell me I'm wrong, wrong, I don't wanna be right, right (x4)

[Chorus]

So, am I wrong? For thinkin' that we could be something for real?
Now, am I wrong? For tryin' to reach the things that I can't see?

But that's just how I feel (x3)
Trying to reach the things that I can't see

Anne-Marie "Heavy"

[Verse 1]

When did we get so lost inside ourselves?
We used to be strong, now it's like we don't care
Instead we're calling out for help
Don't know where we went wrong, but it's so hard to share (so hard to share)

[Pre-Chorus]

All this weight left on our shoulders
Too much for the both of us

[Chorus]

When did it get so heavy?
This love that's in between us, It never used to feel this
Feels so heavy
Can't get up off the ground It's weighing us down

[Verse 2]

When did we get so bad at being honest?
You got things on your mind, that you don't wanna say
Thought that we had made a promise
That we would never get this way

[Pre-Chorus]

But all this weight left on our shoulders
Too much for the both of us

[Chorus]

When did it get so heavy?
This love that's in between us, It never used to feel this
Feels so heavy
Can't get up off the ground It's weighing us down

[Bridge]

All these things we said that we never meant
Are we gonna let them hold us down?
All these things we said that we never meant
Are we gonna let them hold us down, down?

[Chorus]

'Cause baby it's too heavy
This love that's in between us, We never used to feel this
Feels so heavy, uh
Can't get up off the ground, It's weighing us down
